

The Making of Whisper Dunes, Part 2

When Beazer Homes stopped developing Whisper Dunes in 2012, a new era began. In 2014, Matthew Brandman and Hunter Collins left Beazer Homes and founded Samuel Taylor Homes. They purchased the remaining property in Whisper Dunes and reimagined this community from a total multi-family development to a hybrid with the addition of a single family phase. This was the beginning of Phase 2.

The model home, a Mako model, was built at what is now 102 Blue Sage Road in April 2014 and soon sales and development took off.

Phase 2A & 2B was off and running and Lots quickly sold out with construction brisk. This phase was completed in 2015 and Phase 3 was soon to begin...

Who Let the Dogs Out!

Meet Cookie! She is 47 lbs of smiles! Many of us have seen her since she was a little ball of fur! She can be seen daily while walking with Mike or Joanne, who moved here 3 1/2 years ago from Long Island. When asked: "What do you like most about living here"....Mike immediately responded with "It's just a nice place to live."

We had a good time and a great turnout at the Chili Cook Off! It was a nice opportunity to connect with other neighbors on a beautiful afternoon. Congratulations to the winners!

THANK YOU would never be enough to all of the veterans who have served and continue to serve. You have risked your lives to protect our freedoms. We honor you for your courage, sacrifice and dedication to our country. It is an honor to have you in our community and salute the same flag as you do.

Our community is now represented at Beach Access 79. Whisper Dunes residents willingly volunteer their time to keep our beaches and walkways clean and beautiful!
