

Residents of Whisper Dunes are planning a Spring Social at the pool on Saturday, April 24, 2021 beginning at 11:00am. Hamburgers, Hot Dogs, Buns, condiments, paper products and utensils will be provided by Mark Tate. If you wish to attend, please RSVP to Judy Christian at [pcbjuju@gmail.com](mailto:pcbjuju@gmail.com). You may bring a side dish or dessert to share. Please remember to bring a serving utensil. You also should bring your own drink but no glass is allowed inside the cabana/pool area. If you would like to participate by bringing a grill to help cook the meat, please let us know by using the email provided above. We hope to see you all there. This will be a great time to visit with friends and to meet new neighbors.

## MEET LAURIE TURNER

New Community Association Manager

I am originally from Enterprise, Alabama. I began my career in real estate in 2003 with my primary career being real estate management for Coldwell Banker Prestige Homes and Real Estate. My experience allowed me to expand my career to HOA management in Florida in 2016 when I moved to the beach! I am excited at the opportunity to work with Whisper Dunes in the aspects of HOA management and look forward to meeting members as time and opportunity allows!

It's finally Spring! So many of us will be out in our yards with projects of all types. Just a reminder that if you need help from a landscaping company for trees, turf or any other type of improvements, our community landscaping provider, HerbaFex, is a great choice. They offer very competitive prices.

To request a quote or proposal, our community landscaping manager is Jamie Parish and you can contact him through email at [whisperdunes@herbafex.com](mailto:whisperdunes@herbafex.com).

Also remember to submit an ARC request for approval before making changes to your yard.

## Beware of Bears!

All residents should stay diligent in removing items that would attract bears and other wildlife to the neighborhood. If possible, put out the trash on the morning of pick up and take in bird feeders at night.

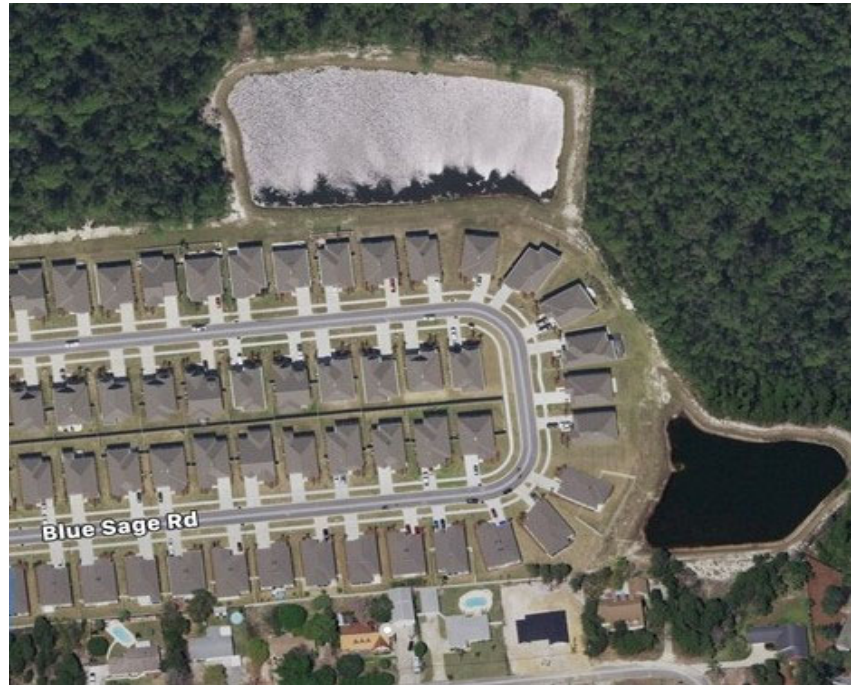

## Furry Friends!

Boss is looking good with his new spring haircut. He is a super sweet, 14 year old Golden Retriever. He (and George) are always happy when Boss comes back for a beach visit.

## WHISPER DUNES STORM WATER SYSTEM

Many may not be aware that there are two ponds on community property on the east and northeast side of Blue Sage Road. These are not natural, stream fed ponds but were created by the developers when sand was excavated to create the contours of the home sites. These ponds get 100% of their water from rain and are part of the community storm water management system.

The HOA uses The Lake Doctors to provide monthly maintenance to make sure vegetation is controlled. These ponds are not for recreational use and dumping yard clippings or rocks or any other yard debris or items is prohibited.

## Spring Clean at the Pool!

Clean Up Day at the pool on Saturday, May 1st at 8:30am. We need help with pressure washing pool & cabana deck and cleaning all furniture. Volunteers with pressure washers will be greatly appreciated! Please email Judy at [pcbjuju@gmail.com](mailto:pcbjuju@gmail.com) if you can help.

We want your input.  
Please submit  
photos and ideas to  
[pcbjuju@gmail.com](mailto:pcbjuju@gmail.com)
